Toshiba Carrier Snow Hood Accessories – Temporary Part Number Adjustment for Pricing and Quoting

As an update to the part number adjustment referenced in the previous bulletin, the pricing listed in the MLP has now been tied to the correct part number. As of now, no adjustments will need to be done to the bill of materials in QuotePro for pricing. Please use the correct part number **TCB-SGMH2802KU-Y** going forward to ensure the pricing is correct.

Thank you for your patience in the rectification of this matter!
