

COMPRESSOR EXTENDED WARRANTY PROGRAM

Enhance your customer's peace of mind
with the Extended Limited Warranty.

**REPLACEMENT
COMPONENTS**

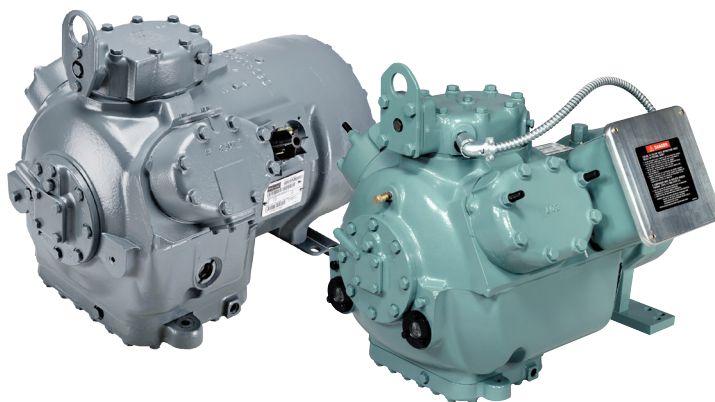

PROGRAM OVERVIEW

- Service Compressor Extended Limited Warranty Contracts apply to both refrigeration and air conditioning duty service compressors sold as an out-of-warranty replacement.
- Up to two replacement compressors during the extended warranty service coverage.
- Service Compressor Extended Warranty Contracts must be purchased within 45 days of service compressor installation date.
- Options for types of coverage including an option for additional 25% of distributor cost.
- Ease of the claim process - All claims against a service compressor extended limited warranty contract are processed through Service Bench like the regular warranty.
- Purchase Service Compressor Extended Limited Warranty Contracts with the option of printing and/or e-mailing the contract to your customer.

The RC Extended Warranty contract becomes effective upon expiration of the RC standard Service Parts warranty.

Semi Hermetic Compressors - Y & Z contracts

Hermetic Compressor - A & B contracts

A or Y:

Claims paid on A or Y extended warranty types credit the distributor who purchased the contract the current distributor cost of the service replacement compressor.

Premium B or Z:

Claims paid on B or Z extended limited warranty types will credit the distributor who purchased the contract for the current distributor cost of the service replacement compressor, plus an additional 25% of distributor cost.
