

Carrier

HVAC COMFORT SOLUTIONS FOR TEMPORARY FACILITIES

Fast, dependable air temperature, ventilation, and humidity control for non-permanent and converted structures.

LARGE INVENTORY—READY FOR IMMEDIATE DELIVERY AND INSTALLATION

Quickly deploy comfortable, reliable, energy-efficient air conditioning systems in:

- Tents
- Prefabricated structures
- Converted structures such as storage buildings and parking garages

Ideal for **hospitals, clinics, labs, testing facilities, and more.**

- Under applicable Federal and State executive orders, Carrier continues to provide HVAC service and equipment necessary to support essential critical facilities, including those in healthcare and other infrastructure sectors
- Carrier offers everything from equipment, rentals, and service to **complete, engineered turnkey solutions** for temporary applications
- Call today for **IMMEDIATE RESPONSE** nationwide

Fast-Response SERVICE AND SUPPORT

Stretched thin? Let our experienced engineers and highly-trained technicians replace, configure, install, and service your HVAC systems, including:

- Application advice and system design
- Installation and commissioning
- Maintenance, monitoring, and emergency repair of **ALL BRANDS**

Speak with a Carrier Service and Support expert 24/7 at 800-379-6484, or visit carrier.com/service.

Flexible, Cost-Effective RENTALS

How long will “temporary” last? Manage uncertainty, reduce your up-front investments, and respond quickly to emergencies with Carrier’s diverse and modern fleet of rental equipment.

Speak with a Carrier Rentals expert 24/7 at 800-586-8336, or visit carrier.com/rentals.

Ready-to-Deploy EQUIPMENT

Need it now? Choose from our large and diverse inventory of cooling, heating, ventilating, and humidity control equipment ready to accommodate a wide range of temporary facility needs:

- Large inventory of light commercial and other equipment in stock throughout the U.S. for ready delivery
- Technicians available for installation, commissioning, and service
- Proven reliability under demanding conditions

To find your nearest Carrier experts, enter your zip code at carrier.com/expert.

Get quick and easy procurement under established Federal, State, and GPO contracts—ask us for details.

Turn to the experts in cooling, heating, ventilating, dehumidification, and power equipment for temporary and permanent facilities.
