WELCOME TO CARRIER

HVAC Solutions You Can Count On

Since 1902, Carrier has been innovating in the heating, air-conditioning and refrigeration industries.

We continuously look to do things better and always strive to do what's right for our clients.

Thank you for your business and we're committed to providing you with the best experience possible.

We're looking forward to building a robust and strategic partnership with you for many years to come.

MULTIPLE PROPERTIES NEED COMPREHENSIVE SOLUTIONS

We at Carrier understand that every property in your portfolio is different. That's why our broad-scale solutions protect each of your building's unique HVAC needs over their full equipment life cycle. We're also able to cover any HVAC related issues across your multi-site enterprise so properties are continuously up and running.

THE ONLY CONTACT YOU NEED

When you work with Carrier, you're getting 24/7/365 support from a single point of contact. From initial project review to equipment monitoring, your designated point of contact is continuously committed to each of your buildings' needs through a custom, personalized approach. Our dedicated team accomplished HVAC professionals supported by industry-leading HVAC experts.

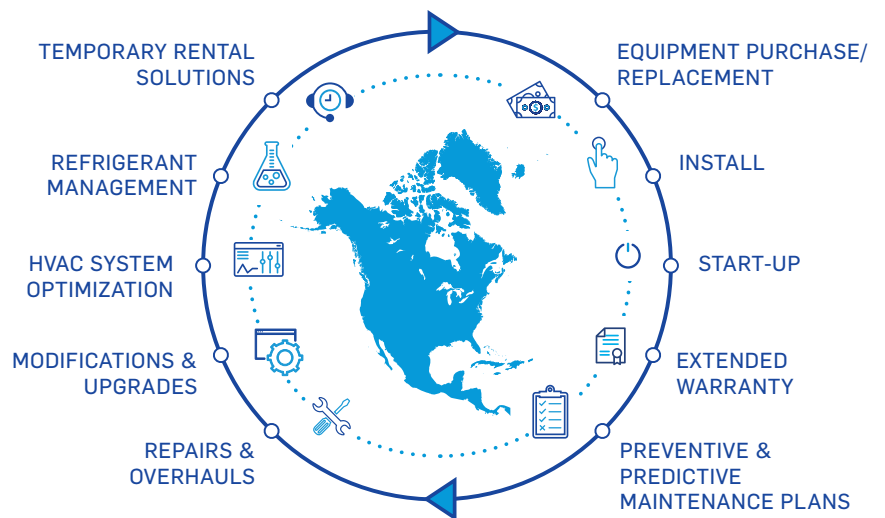

A PARTNERSHIP BUILT TO LAST

Carrier isn't just about heating and cooling — we have a vested interest in your portfolio's HVAC demands. We're capable of successfully managing multiple facilities on a local, regional or national level. Choosing to partner with Carrier as your sole provider also allows you to track potential future expenses, keeping you fiscally on track.

WE WORK FOR YOU AND YOUR NEEDS

Carrier's dedicated attention to detail means that you can expect compliance with all relevant building codes, accurate record-keeping and careful considerations for environmental health and safety at all of your locations.

Centralized billing, bidding and reporting allow your staff to stay focused on operations — not time-consuming and costly paperwork.

Carrier strategic partnerships provide broad-scale solutions designed to protect all your building's HVAC and related assets over their full life cycle.
