

# Protection & Performance for Your Carrier® HVAC System.

## CARRIER EXTENDED WARRANTY SERVICES

You have invested in efficient, reliable Carrier equipment for your facility. This investment also comes with a powerful factory warranty, which protects your purchase in the unlikely event of a breakdown. Factory-trained and certified Carrier technicians service every warranty to maintain our performance standards.

But what happens when your original warranty ends? We have a solution: a customized Carrier Extended Warranty.

**Extended warranties continue coverage on your valuable Carrier HVAC assets after the standard warranty ends.**

### BENEFITS

- ✓ Protect your valuable HVAC assets with an affordable, one-time investment
- ✓ Get peace of mind from seamless coverage after the standard warranty ends
- ✓ Certified Carrier technicians perform all work
- ✓ Mitigate risk of equipment failure
- ✓ Avoid unplanned expenses and minimize downtime
- ✓ Simplify both short- and long-term budgeting
