STOCKED TRUCK = SATISFIED CUSTOMERS

Prompt Service: You'll be able to get the job done the day your customer calls, even after hours.

Efficiency: Because you won't need to shop around for the parts you need, you'll be able to reduce time on calls.

Better Parts: FLEXPSC motors feature reliable, proven ECM technology and come with a two-year warranty.

Better Comfort: FLEXPSC motors offer reduced noise and temperature difference.

Improved Indoor Air Quality: By using our FLEXPSC motors, your customers can rest assured that their IAQ products will operate 24 hours a day, every day.

Backed by our
5-Point Certification

Ensures every motor meets uncompromising quality standards. So you can be confident you're choosing the right motor for any replacement job.
