CARRIER DUCTLESS
SOLUTIONS
DELIVER ON
BENEFITS

At Carrier, we've thought through it all, so you can get the control, comfort and performance that you've always wanted from your HVAC system.

ENERGY SAVINGS

- Up to 35.1 SEER2 efficiency rating
- 22 combinations with ENERGY STAR® certification

FLEXIBLE OPTIONS

- Compatible with third-party thermostats with optional 24V interface kit

COMFORT IN
ANY CLIMATE

- Infinity heat pumps operate in temperatures as low as -22° F and as high as 122° F
- Can serve as the primary heat source, eliminating the need for a backup

EASY MAINTENANCE
& INSTALLATION

- Reusable filters enable higher efficiency and lower costs
- No major renovations, patching or painting required

COMFORT
BY DESIGN

Choose from a family of ductless high wall solutions and a range of innovative features to fit your needs.
