# ecobee3 lite Pro

Powered by Carrier

A stylish and savvy choice when adding a smart thermostat to your home.

ecobee3 lite is the smart thermostat that delivers better comfort, control and savings.

### Smart, intuitive and low maintenance

The ecobee3 lite, Powered by Carrier, tailors itself to your schedule, your personal comfort preferences and the weather outside. It can also show how much money you've saved each month and give you insight into your heating and cooling equipment performance.

### Compatible with your smart home

Works seamlessly with third-party smart home platforms such as Apple® HomeKit®, Amazon® Alexa®, Google® Assistant, Samsung® SmartThings® and IFTTT®.<sup>1</sup>

### Controllable from anywhere

Access your system from anywhere with your iOS® or Android® devices.<sup>1</sup>

### Greater peace of mind

Five-year limited warranty when purchased through and installed by a Carrier dealer<sup>2</sup>, is ENERGY STAR® certified and may qualify for rebates from your local energy utility (where available).

### Upgradeable

Pair your ecobee3 lite with sensors (*sold separately*) around your home for greater occupancy monitoring and room-specific temperature adjustments.

### Additional energy savings with eco+

Optional software feature, works in the background to deliver additional energy savings and efficiency.

# ecobee SmartThermostat Pro

with voice control, Powered by Carrier

Gives you all the features of the ecobee3 lite, but with these additional benefits:

## Voice control

Use Amazon® Alexa® voice commands to change temperature settings, check the weather, hear the news, make a phone call, play music and more.

## Included SmartSensor

Includes a SmartSensor to keep important rooms comfortable by adjusting your thermostat based on occupancy and temperature. Add up to 31 additional sensors (*sold separately*).

## Hands-free calling

Call friends and family anywhere in North America free of charge from your thermostat using Amazon Alexa.

## Stream music

Play music through a Bluetooth® speaker using Spotify® Connect.<sup>1</sup>

## Greater peace of mind

Five-year limited warranty when purchased through and installed by a Carrier dealer<sup>2</sup>, is ENERGY STAR® certified and may qualify for rebates from your local energy utility (where available).

An advanced thermostat with voice control and SmartSensor included.

<sup>1</sup> When connected to the Internet through a Wi-Fi® network.

<sup>2</sup> See warranty certificate at Carrier.com for complete details and restrictions.

# Gain More Control with a Complete Home Comfort System

Enjoy a world-class comfort experience with the combined efforts of two of the industry leaders in home comfort - Carrier and ecobee.

With highly advanced communication at its core, pair an ecobee thermostat, Powered by Carrier, with a complete home comfort system to give you total control over your home's comfort, temperature and humidity.

## Air Conditioner or Heat Pump

Provides efficient cooling or cooling/heating for comfort and potential energy savings.

## Gas Furnace

Provides high-efficiency heating for comfort and potential energy savings.

## Fan Coil

Works with your outdoor heat pump to convert heating and cooling energy and deliver more comfortable air to your home.

## Evaporator Coil

Matches to the proper outdoor unit to provide more cooling efficiency and years of reliable service.

## Humidifier<sup>1</sup>

Adds moisture to the air, helping keep static and dry skin at bay.

## Dehumidifier<sup>1</sup>

Pulls excess moisture from the air helping you feel more comfortable.

<sup>1</sup> Accessory products only can be used with ecobee SmartThermostat with voice control.
