

## Crossover Solutions

Enhanced comfort up to 19.0  
SEER2 and 10.8 HSPF2 rating

Models: 37MUHAQ, 37MURAQ

featuring

**Puron**  
ADVANCE™

## Why Are So Many Homeowners Choosing Crossover?

Carrier® Crossover Solutions provide a system that maintains the characteristics of traditional ducted heating and cooling while leveraging elements of ductless technology. Our systems are compatible with residential fan coils and furnaces, ensuring a

seamless integration with your existing HVAC setup. They're the perfect choice for spaces of all sizes, creating a whole-home solution that can't be matched.

### ENVIRONMENT

With Puron Advance™, Carrier proudly continues our century-plus commitment to environmental stewardship. It's a refrigerant that delivers a 75% decrease in global warming potential while maintaining the non-ozone depleting properties of original Puron.

### COMFORT TECHNOLOGY

Carrier Crossover Solutions are powered by an inverter compressor that continually adjusts its speed as conditions change—for consistent comfort with lower energy usage. Plus, enjoy year-round comfort with a Performance™ Series heat pump that offers dependable performance in temperatures from -22° F to 122° F.\*

### PERFORMANCE

Our Performance Series Crossover Systems deliver up to 19.0 SEER2 and 10.8 HSPF2 ratings. Additionally, the Crossover heat pumps operate at sound levels as low as 55 dB(A), creating an ideal comfort without disrupting noise.

### HYBRID HEAT

The Crossover heat pump can be paired with oil or gas furnaces, automatically switching between the two fuel sources based on the outside temperature to provide efficient comfort year-round.

### CARRIER CONSUMER CHOICE WARRANTY

Carrier Crossover Solutions come with the option to select the warranty of your choice. Upon timely registration, on eligible equipment, select either a 10-year parts-only limited warranty or a 5-year parts + 3-year labor limited warranty.<sup>1</sup>

At Carrier, we know purchasing a new heating or cooling system is a big investment. Take ownership in helping protect your investment. Carrier is excited to offer you a Consumer Choice Warranty option. Most Carrier products come with the option to select the warranty of your choice. Dealer participation is required.<sup>1</sup>

<sup>1</sup> Upon timely registration, on eligible equipment select either a 10-year parts only limited warranty or a five-year parts + three-year labor limited warranty. Dealer participation required. See limited warranty certificate at [carrier.com](http://carrier.com) for complete details and restrictions.

## The Carrier Difference

If you could look under the hood of a Carrier Crossover System, you'd see the future of electric, inverter-driven heat pump technology as the solution for home heating and cooling upgrades. Systems designed to deliver unparalleled heating and cooling comfort, performance and ease of installation.

When the Performance Series heat pump is paired with the air handler from the same series, you get a system packed with high efficiency technology that qualifies as ENERGY STAR® certified.

Additionally, the horizontal design of the coils allows for more efficient heat transfer, which can lead to lower heating and cooling bills.

### Performance Crossover Air Handler

## A Range of Comfort

Experience the best of inverter heat pump technology and traditional HVAC systems.

	Performance™ Heat Pump + Performance™ Air Handler	Performance™ Heat Pump + Comfort™ Air Handler	Comfort™ Heat Pump + Comfort™ Air Handler
SEER2	19.0	19.0	18.8
HSPF2	10.8	10.3	9.7
ENERGY STAR® Certified	All combinations	Select combinations	-
Continuous Operating Range	-22° F/122° F	-22° F/122° F	-13° F/122° F
Indoor Unit Sound Operation	As low as 33.0 dB(A)	As low as 25.5 dB(A)	As low as 25.5 dB(A)

## A Full Spectrum of Comfort

It's no secret that ductless and traditional HVAC systems each have their own set of advantages. So why not reap the benefits of both?

## More Than a Century of Cool

In 1902, a determined engineer answered one of mankind's most nagging questions: How do we make hot, sticky, indoor air go away? In creating the world's first modern air conditioning system, Willis Carrier forever changed indoor life, and, more than a century later, the corporation that bears his name takes inspiration from his example.

Carrier strives to improve on our founder's breakthroughs, introducing new technologies that make life at home even cooler. Today, a nationwide network of experts continues to advance Willis Carrier's lifework. Your expert Carrier dealer is equipped to evaluate your home and create a customized system designed around your lifestyle.
