

Arcoaire® Packaged Heating & Cooling Systems

Arcoaire®
Air Conditioning & Heating
Enduring Performance.

Built with strength

When you choose Arcoaire® heating and cooling equipment, you get rugged reliability with energy-saving efficiency in every unit. Our products are 100% run tested, and we design our products to give you the best in engineering and quality manufacturing for lasting performance and comfort. It's our tradition to deliver products that exceed your expectations for enduring performance.

**Performance Series
PAJ4/PHJ4**

Backed by exceptional warranties

Every Arcoaire product is backed by an up to 10-year parts and compressor limited warranty* so you'll have peace of mind.

10 year
parts
limited
warranty

Timely registration required.
See warranty certificate for
details and restrictions.

**To the original owner, when product is used in a residential application, a 10-year parts limited warranty upon timely registration of your new equipment. Warranty period is 5 years if not registered within 90 days. Jurisdictions where warranty benefits cannot be conditioned on registration will automatically receive a 10-year parts limited warranty. See warranty certificate for complete details.*

What is a packaged system?

Arcoaire packaged all-in-one units are designed for the best durability and comfort. The units stay enclosed outside or on roofs and come in a variety of combinations: dual fuel gas furnace/heat pump, gas furnace/air conditioner, electric heat pump and electric air conditioner.

What matters in a packaged system?

Get the most out of a packaged system by choosing the product that fits your comfort needs. All of our packaged products feature comfort-enhancing and durable features to deliver lasting performance. For greater efficiency in a unit, look for two-stage heating or cooling operation. Our toughest units feature wire hail guard grilles, tin-plated copper evaporator coil tubing, and stainless steel heat exchangers (in gas heating units). And our No Hassle Replacement™ limited warranty is offered on our premium products to give you peace of mind. Arcoaire packaged units offer money savings, increased comfort, durable performance and quiet operation.

Air Conditioner

What sets Arcoaire® packaged units apart?

1. Copper/aluminum coils and quality copper tubing with TVX for proper flow of refrigerant.
2. High- and low-pressure switches to protect system.
3. ECM indoor blower motor provides efficient airflow.
4. Rugged pre-painted steel cabinet with louver panels to protect the coil.

SEER vs. Cooling Cost Savings

Percentage based on national averages at 10 SEER; may vary according to efficiency of current unit and installation.

PAJ4 Performance 14 Packaged Air Conditioner

- Up to 14.5 SEER/11.5 EER cooling efficiency
- Sized smaller for narrow lot installations
- Efficient single-stage cooling
- 10-Year Parts Limited Warranty

PHJ4 Performance 14 Packaged Heat Pump

- Up to 14.5 SEER/11.5 EER cooling efficiency
- 8.0 HSPF heating efficiency
- Sized smaller for narrow lot installations
- Efficient single-stage cooling and heating
- 10-Year Parts Limited Warranty

All systems tested and listed by the appropriate agencies.

ISO 9001: 2000 Registered
