

# **Ion<sup>™</sup> System Control Registration Instructions** from the Ion System Control

#### Step 1

Once the installation is complete, and connection to the home network and the lon Comfort (My lon) server has been established, touch the lon<sup>™</sup> System Control anywhere on the *Home* screen.

*Note:* See the Owner's Manual, or touch the "set up a wi-fi® connection" in Step 5, for instructions for connecting the Ion System Control to your home Wi-Fi network and the Internet.

You can check the status of the connections to the home network and My lon server by touching the Wi-Fi connection strength bars at the top right of the screen, or from the Menu screens, select Wireless and touch the "view remote access status" option above the "My lon registration info" shown in Step 5.

# Step 4

From the second menu screen, select the *Wireless* icon.

# Step 5

From the Wi-Fi<sup>®</sup> set-up screen, select the *registration information* option.

*Note:* See the Owner's Manual, or touch the "set up a wi-fi connection", for instructions for connecting the Ion System Control to your home Wi-Fi network and the Internet.

# Step 2

Select Menu.

# Step 3

Press the down arrow in the lower right hand corner of the first menu screen in order to get to the second menu screen.

# Step 6

Write down the serial number, MAC address and PIN information included on this screen as you will need this information when you log in to the www.ioncomfort.com website.

*Note:* If you do not wish to write this information down, you can also take a photo of this screen using your smartphone to use as a visual reference when you are entering the website.
