

# Genuine Carrier Performance Parts

## Genuine Quality and Performance. Guaranteed.

### Performance

- Maintain Peak Performance: Genuine Carrier Performance Parts are designed and manufactured exclusively for Carrier Transicold reefer equipment.

### Quality

- Insist on Quality: True to the name, Genuine Carrier Performance Parts maintain peak performance and operating efficiency. Genuine OEM Performance Parts have reliable performance and are manufactured to rigid factory specifications.

### Also Available:

#### Container Ship Kits

Stocked with all the critical components to keep your unit up and running.

### Protection

- Protect Your Investment: Genuine Carrier Performance parts keep the value in valuable equipment. Don't compromise your investment in Carrier systems with lesser-quality will-fit parts.

### Confidence

- Buy with Confidence: Genuine Carrier Performance Parts are backed by a national warranty and service center network with factory-trained service technicians.

### Expertise

- Buy from the Experts: Over 420 service centers, 13 parts warehouses, and a combined 342 years of service experience.
