

# Solar Powered Liftgate Charging System

## Battery Life Extension

- Integrates seamlessly with the auxiliary liftgate battery charger or battery separator to maintain liftgate batteries during off cycles, extending overall battery life

## Scalable Solar Power

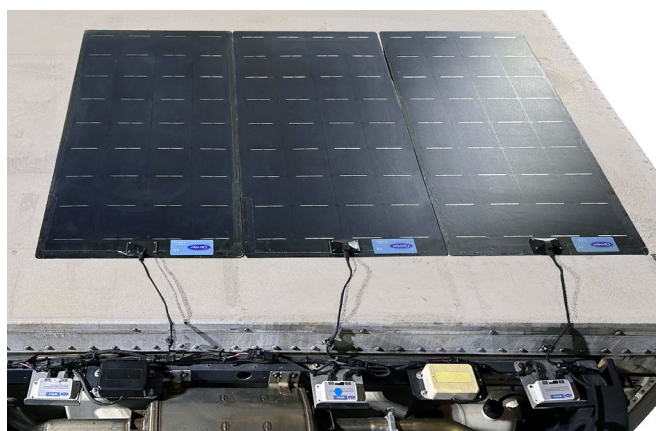

- Base Kit provides 110W, with option to add up to two 110W Expansion Kits for a total of 330W

## Roof Mount Ready

- Solar panels are designed for easy mounting on trailers equipped with Carrier Transicold Vector™ or X4™ series units

## Peace of Mind

- Five-year limited warranty on panel output
- Available at Carrier Transicold Dealers in the US & Canada
