AN EXCHANGE OF TECHNICAL INFORMATION

Number: TL005 - 2024
Subject: Menu0117.ml3 file

Released: June 6, 2024

Carrier has updated menu file for ML3 units as part of a periodic update. The latest menu file, menu0117.ml3, is available on Transcentral and on the carrier website. It is already included in the software zip files, however it is also available separately for prior releases. The new menu file should be loaded onto flash drives and PCMCIA cards in the "Upload" folder and the old menu file should be deleted.
