

20 SERIES PERFORMANCE PARTS

Truck, Trailer & APU

**Build Carrier Quality into your
Thermo King® Truck, Trailer & APU units**

Harness the Sun!

**Add Critical
Power to Your
Reefer Battery,
Naturally...**

*Boost Uptime and
Protect the Cold Chain*

**Thin-Film
Solar Panels**

For Trailer and Rail Reefers

Carrier Transicold Advantages

- Designed to withstand harsh transportation environments
- Works well in indirect and low light conditions
- Panel manufactured in the U.S.A.

**Check with Your Carrier Transicold Authorized Dealer
for Thermo King® Applications.**

BlueEdge Core – Performance Parts Protection for 20 Series X430P Compressors

Additional 6 Months Warranty Coverage + Labor

- BlueEdge Core:
 - Extends parts warranty for a total of 30 months of coverage with dealer installation or 18 months of coverage over-the-counter
 - Adds Labor Coverage
 - Includes \$0 Deductible
 - Protects against rising repair costs due to price inflation
 - Available at point of purchase
- Increase equipment resale value with transferable coverage
- Offered and backed by Carrier's comprehensive dealer service and support network in North America

Applies To
Part #: 20-X430P-4QT

Now Available! **20 Series Air Filter** **for Thermo King®** **Precedent® C&S Units**

Features and Benefits:

- Securely installs in existing housing
- Designed to meet OEM specifications
- Includes dual-sealing features
- Nano fiber-coated flame-retardant media
- Backed by Carrier Transicold's authorized and factory trained dealer network
- 90 day limited parts warranty

AIR FILTER		
Carrier Part Number	Thermo King® Part Number	Compatible With
20-12-9955	11-9955	Precedent® C & S Series Units

Our 20 series filter kits provide a convenient solution for over-the counter customers and self-servicing fleets. Available for use on Thermo King® and Heat King® Trailer, Truck and Auxiliary Power Units (APUs).

20 Series Solar Charging System for Thermo King® Precedent® Units

Durable 50W Panel

- Optimized for roof-mount on trailers with Thermo King Precedent units
- 4.2 Amp solar operating current means faster, more complete charging of the battery, helping to ensure uninterrupted performance*
- Mounts smartly and securely to the trailer roof, with boost controller and customized harnesses and connectors for ease of installation
- Solar charging system extends telematics operation and battery life during extended off periods, helping to avoid costly jump starts
- 5-year limited warranty on panel output
- Carrier-spec plug and play harness designed for easy, time-saving installation
- Backed by Carrier's comprehensive dealer service and support network in North America

*Compared to prior Carrier solar technology

All trademarks and service marks referred to herein are property of their respective owners.
