Citimax 1000	7,900	3,800	7,400	3.60	Carrier 210	3,300	1780 x 304 x 388	1560 x 225 x 689	53	46
Citimax 1100	10,200	5,100	7,600	3.60	Carrier 310	3,300	1780 x 304 x 388	1560 x 225 x 689	53	46

Cab Command:

The simplest, safest and fastest way to keep your box temperature in sight.

While at the wheel and at all times, your driver can easily monitor box temperature, temperature changes and message codes. He can also choose, via a user-friendly interface, setpoint temperatures and defrost intervals, as well as perform other functions.
