

Service Offerings

**IT'S NEVER BEEN EASIER TO GIVE
YOUR FLEET AN EDGE**

Carrier Transicold's BluEdge™ Service Offerings

Now you have more choices when it comes to protecting your investments – and your bottom line

Whether you want to maintain equipment on your own with as-needed service or put solutions in place for proactive maintenance and equipment monitoring, we have a plan that can help you:

- Schedule inspections and timely preventive maintenance to extend the life of your equipment
- Manage and reduce equipment lifecycle costs
- Reduce downtime, increase asset utilization and maximize fuel economy
- Obtain preferred pricing on genuine Carrier® Transicold® parts
- Avoid costly emergency callout repairs
- Increase equipment resale value

Take a smarter approach to the health of your fleet with

When you combine Carrier® Transicold's® eSolutions™ telematics system with your BluEdge service plan, you give your operations "TRU IQ" by enabling centralized visibility and management for all your TRUs equipped with eSolutions systems.

Count on the Carrier Transicold dealer network for expert service whenever you need it

With 24/7 service access and 180 locations across North America, the Carrier Transicold dealer network is always there to handle your maintenance and repair requests.

Choose from three tiers of service designed to provide optimal value for your business.
