TRU-Tech & TRU-View Install Instructions

1. Locate the file on this page labeled "TRU-Tech XX.XX.XX.zip". DO NOT DOUBLE-CLICK THE ICON.

2. Point and right click once.

3. In the small pop-up box that appears left click on "Save Target As…"

4. In the next pop-up box, select a location to save the file. Most users select Desktop as it is an easy place to locate the file after downloading. A download progress box will show you the % of the file that has been downloaded, and will advise you when the operation is complete.

5. When the file download is complete, you should have the TRU-Tech zip file on your desktop.

6. Follow steps above 1 thru 5 for the other file labeled TRU Tech Installation Guide.

7. Once downloaded, double click on the TRU-Tech directory to view the files, and then double click on the AUTORUN.EXE file to start the installation.

8. Refer to section 6 of the installation manual for the remainder of the installation instructions.
