

# 6 Liter Class K Wet Chemical Fire Extinguisher

Part number 25074

Cooking media

Rechargeable

## UL Rated K

**Shipped Factory Filled**

For use on the following type of fire:

## Description

Suitable for use on Class K cooking grease and oil fires.

The move toward more efficient cooking appliances and the widespread use of unsaturated cooking oils dictates the development and use of new types of portable fire extinguishers.

These wet chemical extinguishers are designed to deliver the agent safely on to the fire with a more gentle application. In addition the fire fighting agent has a greater fire fighting capacity and cooling effect on grease fires than dry chemical agents.

Includes metal hanger 16047

## At a Glance

- Model WC-100-1 KS Pro
- Wet chemical
- UL listed
- UL rated K
- Potassium Acetate
- Supplied with wall hanger
- 6 year limited warranty
